EDUCATION

Course	College / University	Year	CGPA / %
B.Tech (ECE)	Netaji Subhas University of Technology	2026	6.40
CBSE (Class XII)	Vivekanand Public School	2022	87.2
CBSE (Class X)	DAV Public School	2020	78.4

TECHNICAL SKILLS

- **Programming Languages:** JavaScript, C++, SQL
- **Full-Stack Development:** MERN Stack (MongoDB, Express.js, React.js, Node.js), RESTful APIs, Cloudinary, Socket.IO
- **Frontend:** React.js, Redux Toolkit, Tailwind CSS, HTML/CSS, Responsive Web Design
- **Backend:** Node.js, Express.js, MongoDB, JWTs
- **Developer Tools:** Git, GitHub, VS Code, Postman, MongoDB Compass, MySQL
- **CS Fundamentals:** Data Structures & Algorithms, OOP, OS, DBMS

INTERNSHIP

- **Frontend Developer Intern | Consint.Ai | Noida, UP** **January 2026 - Present**
 - **Contributed to a production healthcare platform** by implementing and stabilizing core claim processing workflows used in real-time by end users.
 - **Resolved 30+ critical UI/logic/API issues** including pagination, document handling (DMS), data population, and navigation flows, significantly reducing user-facing errors and improving application stability.
 - **Fixed 50+ production bugs** across modules like PreAuth, Medical Authorization, and Claim Processing, reducing UI/functional issues and improving overall system stability.
- **Full Stack Developer Intern | AavyaanyaTech PVT. LTD | Delhi** **June 2025 - August 2025**
 - **Revamped the Banku web application with modern technologies** resulting in better response time, usability, and maintainability.
 - **Built responsive frontend** for a Fin-tech platform using React.js and Tailwind CSS.
 - **Implemented RESTful API integrations** to enable real-time data exchange and modular functionality within the web application.

PROJECT

- **StudyNotion - Full Stack Ed-Tech Platform | MERN Stack, Tailwind CSS, Cloudinary** [Live Link](#)
 - **Built a responsive Ed-Tech platform** enabling users to create, consume, and rate educational content with authentication and authorization.
 - **Built a secure payment flow using Razorpay APIs** with proper success/failure handling.
 - **Increased instructor engagement** through improved course analytics and earnings tracking.
 - Implemented RESTful API communication between front-end and back-end, tested with Postman.
- **Chatty- Real Time Chat Application | MERN Stack, Tailwind CSS, Socket.IO, DaisyUI** [Live Link](#)
 - **Developed a responsive real-time chat application** using Socket.IO for bi-directional event-based user communication.
 - **Implemented user authentication** and intuitive UI using React.js, Tailwind CSS, and DaisyUI.
 - **Designed RESTful APIs with Node.js and Express.js**, enabling efficient message storage and retrieval with MongoDB

ACHIEVEMENTS & EXTRA-CURRICULAR

- Solved 700+ DSA problems across LeetCode, Coding Ninjas, and GeeksforGeeks
- **LeetCode:** 300+ problems | 100 Days Badge (2025)
- **Coding Ninjas:** 250+ problems | 15000+ XP | 3 Specialist Badges
- Participated in intra-school football competitions, demonstrating teamwork and discipline
- Volunteered with PRAYAS, teaching underprivileged children and contributing to social impact
- Completed a 7-day residential leadership camp focused on discipline, teamwork, and physical training
- Interests: Console gaming, movies
